

To help raise additional funds for the 2018-2019 QubicaAMF BPAC/GA Rising Stars Youth Scholarship Tournament, participating member centers may raffle off entry-level reactive resin ball(s). All proceeds are earmarked for scholarships in next summer's association finals and must be forwarded to Renee' Dennis, Executive Director, at the BPAC/GA office 1174 Jackson Court Creedmoor, NC 27522 no later than March 30, 2019.

A check/Credit Card for \$90.00 must be mailed prior to your ball being shipped. Mail your check/credit card info to Executive Director, Renee' Dennis. The fee is to cover the cost of the ball and shipping. It is our goal that enough centers will take the time to conduct a raffle and help raise the funds needed for scholarships.

Last year approximately \$6000.00 was raised making it possible to help fund the \$30,000.00 scholarship money that is guaranteed. This year our goal is \$10,000.00! You can purchase as many bowling balls as you'd like and hold as many raffles as you can. Most successful centers run multiple raffles using 50/50 tickets and selling 3 tickets for \$1.00.

To receive your bowling ball simply complete the attached order blank with the color and weight you desire. Tropical Storm Mid Performance Reactive Balls are available in 10-16lbs with multiple colors and NEW smelly scents too!

Please return order form by email or mail to Renee' Dennis @ bpacga@gmail.com. 1174 Jackson Court Creedmoor, NC 27522. Ace Mitchell's Bowlers Mart will ship the ball directly to your center.
