

## THINGS TO REMEMBER

Participating bowling centers must be a member of the Bowling Proprietors Association of the Carolinas/Georgia in both 2020 and 2021.

Call Melanie Campbell, 910-520-5717 or Renee Dennis, 919-201-9453 with questions or if certain rule(s) need clarification to prevent disqualifications.

Scholarship money will be held and managed by Scholarship Management and Accounting Reports for Tenpins (SMART), a United States Bowling Congress program.

Youth bowlers entered in the qualifying round must meet ALL eligibility requirements of tournament rule #1. Youth bowlers may not have dropped out of school at any time. If this incident occurs after the time of qualification and the state finals, he or she is disqualified from participating in ensuing rounds of this tournament.

No substitutes are permitted.

Qualifying may begin in the fourth week of league competition or after bowler has rolled a minimum of nine (9) games in league play.

Three (3) bowlers from each league will qualify each week at the in-center level using pins over average except the new ELITE (195 and above) average classification. Youths in the ELITE division may simply enter the State finals directly by submitting a completed entry form and a \$20 entry fee. Average divisions in which the bowlers will compete at the state level will be determined by their average tournament rule #3.

Pins over average for series determines the winners at every division at each level of competition, except in the ELITE division where total pins, scratch is the determining factor. – i.e. bowler's average is 150 and he or she rolls a 480 series for three games, pins over average for that week is 30.

See entry blanks for dates and site of state finals tournament.
